

June 2022

To Our Valued Customers,

We are pleased to announce that Prairieland Disposal has officially joined the LRS family, the Midwest's largest independent waste and recycling service provider. On behalf of LRS, we welcome you to the expanded LRS family and look forward to servicing your community. With this in mind, Prairieland Disposal customers will now be billed through LRS. If you have any questions about the changes to your service, please call **847.381.9300** where our local team can help you.

WHAT YOU NEED TO KNOW

Billing

As a result of this transition, invoicing will also be fulfilled by LRS. Invoices that you receive for those services rendered will be billed under the name LRS and following the LRS billing schedule.

LRS Billing Schedule

Your first LRS invoice will be dated July 1st for services to be fulfilled in July, August and September and then continue, on a quarterly basis in advance as follows:

Mailed in October for services to be received in: October, November, December

Mailed in January for services to be received in: January, February, March

Mailed in April for services to be received in: April, May, June

Online accounts and Automatic Payment

Online accounts and auto pay do not transfer over from your Prairieland account. Residents who would like to set up an online account or auto pay will be able to do so **once they receive their first invoice**. An auto pay form as well as online account instructions will be included with your first invoice.

If you have questions about your service day or the residential waste and recycling program, please contact our customer service team at **847.381.9300** or email us at Service@PrairielandDisposal.com.

We look forward to continuing to serve you. Please contact us at **847.381.9300** or email us at Service@PrairielandDisposal.com.

Best,
