

CHAPTER 3
STATE ASSISTED LOCAL DEBT RECOVERY PROGRAM

In the event that the Village has previously sent a person's, firm's or corporation's debt to the Village to the Illinois Office of the Comptroller (the "IOC") for State payment offset, it is not the Village's policy to place a lien on a property based on such person's, firm's or corporation's debt unless it notifies the IOC that it is withdrawing the Village's claim

In the event that a person, firm, or corporation believes that a mistake has been made relative to an invoice from the Village, such person, firm or corporation may make an appointment with the Village's Superintendent relative to water or sewer invoices, or the Clerk relative to any other invoice, to present their explanation of such mistake.

No claim shall be sent to the Illinois Office of the Comptroller prior to such amount having been requested from the debtor.
